We're Hiring!

Corporate Tax Senior

Due to our continued expansion, a fantastic opportunity has arisen to join our Tax team where you'll provide a mix of complex corporate compliance and tax advisory services to a well established and growing portfolio of OMB clients.

Employment Type: Permanent, full time.

The Role: Supporting our tax team with a range of tax planning and compliance matters.

Responsibilities within your team will include:

1. Working within our tax team on corporate tax assignments.
2. Undertaking tax due diligence reviews and outlining your key findings.
3. Advising on corporate tax and structuring issues.
4. Providing general business tax advisory services.
5. Assisting with identifying and quantification of Capital Allowance and Research & Development claims to include liaising with our clients.
6. Corporate tax compliance to include reviewing and/or preparing corporate tax returns for submission to HMRC.

Requirements:

1. ACA / CTA qualified with 2 years post qualification experience working within Corporate Tax.
2. Proven track record of interacting with other technical professionals.
3. Strong organisational skills, accuracy and attention to detail.
4. Strong interpersonal and excel skills and capable of presenting a concise summary of information.

If you are interested, please forward your CV in confidence to:
