

# We're Hiring!

## *Senior Auditor/ Assistant Manager*

Due to our continued expansion, a fantastic opportunity has arisen to join our Audit and Accounts team for an ambitious Senior Auditor or Audit Assistant Manager keen to develop their skills and client relationships

**Employment Type:** Permanent, full time.

**The Role:** We are looking for a forward-thinking Senior Auditor / Audit Assistant Manager who is energetic and keen to excel. We work with a variety of sectors and if you are successful in joining us, we hope you will enjoy the variety of work and fast paced environment that we offer.

**Responsibilities within your team will include:**

1. Working with the Audit Managers to ensure the effective delivery of a 1st class audit service.
2. Efficient audit planning with focus on risk assessment and consideration of staffing and deadlines.
3. Preparation and review of financial statements and high-quality working papers.
4. Supervision and deployment of assigned audit team during planning, fieldwork and completion stages.
5. Mentoring junior members of the audit team & reviewing their work.

**Requirements:**

1. ACCA or ACA qualified
2. Training contract completed in a majority audit role
3. Minimum of 1 year PQE (2 years for Assistant Manager role)
4. Excellent communication skills both written and verbal
5. Good IT knowledge including Microsoft Excel and Word
